

		1. Product and Co	ompany Identification			
Product Co		00159				
Product Code: Product Name:		Holiday Spice Flavor				
Trade Name:		Holiday Spice Flavor				
Company Name:		Perfumer's Apprentice	Phone Number:			
		170 Technology Circle	(831)316-7137			
		Scotts Valley, CA 95066				
Web site address:		Perfumersapprentice.com				
Emergency Contact:		Chem-Tel Phone	(800)255-3924			
	2. Hazards Identification					
GHS Signal	Word:	None				
GHS Hazard Phrases:		No phrases apply.				
GHS Precaution Phrases:		No phrases apply.				
GHS Respo	nse Phrases:	No phrases apply.				
GHS Storag	e and Disposal	No phrases apply.				
Phrases:						
Potential He	alth Effects					
(Acute and Chronic):						
Inhalation:		May be harmful if inhaled.				
Skin Contac	xt:	Causes skin irritation.				
Ingestion:		May be harmful if swallowe	ed.			
3. Composition/Information on Ingredients						
CAS #	Hazardous Com	ponents (Chemical Name)	Concentration			
102-76-1	Triacetin		>=10.0 %			
57-55-6	Propylene glycol		>=10.0 %			
NA	MIXTURE OF VOLATILE AROMATIC SUBSTANCES		1.0 -10.0 %			
		4. First A	Aid Measures			
Emergency Procedures:	Emergency and First Aid					
			nd move to fresh air immediately.			

In Case of Innalation:	Remove from exposure and move to resh air immediately.
In Case of Skin Contact:	Get medical aid if irritation develops or persists.
In Case of Eye Contact:	Flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. If irritation develo ps, get medical aid.
In Case of Ingestion:	Wash mouth out with water.
Signs and Symptoms Of Exposure:	To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.
Note to Physician:	Treat symptomatically and supportively.

11. Toxicological Information				
Toxicological Information:	This mixture has not been subjected to toxicological testing but has been blended from materials with established toxicological bibliographies. In view of the difficulty of using current standard toxicological evaluation techniques to predict potential hazards to susceptible individuals or arising from unforeseeable potentiation, this preparation should be considererd and handled as if it displayed health hazards and consequently treated with all possible precaution.			
Carcinogenicity:	NTP? No IARC Monographs? No OSHA Regulated? No			
	12. Ecological Information			
General Ecological	This mixture as a whole has not been subjected to ecotoxicological testing. In view of the			
Information:	difficulty of using current standard ecotoxicological evaluation techniques to predict the impact of particular modes of release on vulnerable or localized parts of the ecosystem, this preparation should be considered and handled as if it displayed potential environmental hazards, and treated in consequence with all possible precaution.

16. Other Information		
Revision Date:	03/28/2014	
Additional Information About This Product:	This product contains no added diacetyl as an ingredient. However, because diacetyl can occur in small amounts as an artifact of the production process in other ingredients, "No Added Diacetyl" products may not be "Diacetyl Free", as trace amounts may be present.	
Company Policy or Disclaimer:	The information provided on this SDS is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guide for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered as a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other material or in any other process, unless specified in the text.
