

INTENSIVE KIT

Perfumer's Apprentice and the Institute for Art and Olfaction have teamed up to offer a materials kit that provides the aromatics covered in our intensive course with Spyros Drosopoulos. This kit includes materials in 4ml vials (undiluted except where noted). Some of these materials may need to be replaced depending on stock availability.

In addition to the materials, the kit contains:

DPG

Pipettes (500)

Scent Strips (500)
